Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- OK to prep at Lake Balboa on 8/7/12.
- OK to set up prop picnic tables and party scene.
- OK to remove existing park benches for picture. Benches must be returned to their original places upon completion of filming.
- OK to film at Lake Balboa on 8/8/12.
- OK to film a news conference around a polluted river, a party scene and a community BBQ scene.
- OK to have picture vehicle on grass with plywood.
- OK to have grill towed into place by picture vehicle must use plywood on grass.
- OK to have picture vehicle drive away from the picnic area and on to the bike path, plywood must be used while vehicle is on the grass.
- OK to have live pig on set with animal regulations permit.
- OK to have flame bar for the simulated bbq and smoke effects.
- OK to set up pop up tents on the grass for extras/changing.
- No staking allowed.
- OK to have up to 2 minutes of intermittent pedestrian control while cameras are rolling only.
- OK to use the first 4 spaces of the playground parking lot for a motor home.
- OK to crew park at the Lake Balboa Overflow Parking Lot.
- OK to basecamp at the Balboa Sports Complex parking lot on the Northeast corner of Balboa Blvd. (Parking lot closest to soccer fields.)
- Must not close off the parking lot or restrict access, must allow cars to drive thru.
- Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- OK to cater breakfast in the Lake Balboa Overflow lot.
- OK to cater the rest of the day at basecamp.
- May not have any persons or equipment enter the water at any time for any reason.
- May not drive on the grass at any time. OK to drive gators on the grass.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.

- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permittee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The permittee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permittee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
